

PUBLIC NOTICE

NOTICE OF INTENT TO ADOPT THE NAPA COUNTY REGIONAL CLIMATE ACTION AND ADAPTATION PLAN INITIAL STUDY AND MITIGATED NEGATIVE DECLARATION

NOTICE IS HEREBY GIVEN THAT THE NAPA COUNTY DEPARTMENT OF PLANNING, BUILDING & ENVIRONMENTAL SERVICES is considering adoption of an Initial Study and Mitigated Negative Declaration for the project identified below:

NAPA COUNTY REGIONAL CLIMATE ACTION AND ADAPTATION PLAN (RCAAP) -The RCAAP is a countywide collaboration between Napa County and the cities of American Canyon, Calistoga, Napa, and St. Helena, and the Town of Yountville. The plan, available online at <https://climateactionnapa.konveio.com/>, aims to reduce greenhouse gas emissions across Napa County by addressing emissions from vehicle travel, electricity use, natural gas consumption, and other local sources, and to increase resilience to climate change impacts.

CEQA STATUS: According to the proposed IS/MND, the proposed RCAAP would have no potentially significant environmental impacts with mitigation incorporated. The RCAAP is countywide, and as such the Project Site contains various properties included on a list of hazardous materials sites compiled pursuant to Government Code Section 65962.5. However, the proposed project would not entitle or fund any specific projects, and individual development projects that could occur under the RCAAP would be reviewed on a case-by-case basis with regards to Government Code Section 65962.5.

The Board of Supervisors will not act on the project during the public review period. A hearing will be scheduled for a future date before the Board of Supervisors to consider the adoption of the RCAAP and the associated CEQA document. Notice will be provided in advance of the hearing before the Board.

The proposed IS/MND is available for inspection, along with copies of all documents that relate to the above-described project, between the hours of 8:00 AM and 4:30 PM Monday through Friday, at the office of the Napa County Planning, Building, & Environmental Services Department, 1195 Third Street, Second Floor, Napa, California. Scheduling appointments to review documents is encouraged. Project materials are also available on <https://climateactionnapa.konveio.com/>.

Written comments regarding the environmental effects of this project, the adequacy of the measures identified, and the adequacy of the proposed IS/MND are solicited. All such comments must be presented during the public review period, which runs from **July 30, 2026**, through **August 31, 2026**.

Comments should be directed to Jesse Gutiérrez, Principal Planner – Sustainability, Napa County Department of Planning, Building and Environmental Services, 1195 Third Street, Second Floor, Napa, California, or via email at RCAAP@countyofnapa.org and must be received before 5:00 p.m. on **August 31, 2026**.

If you challenge any of these proceedings in court, you may be limited to raising only those issues you or someone else raised during the comment period described in this notice, or in written correspondence delivered at, or prior to, the public hearing.

DATED: July 23, 2026

Brian D. Bordona
Director of Planning, Building, & Environmental Services
